

Hello, neighbors.

It's time to obtain an annual pet license from the city of Herculaneum. The cost: \$5 per animal. Licenses are for dogs and cats. Proof of rabies vaccination is required. City Hall takes cash or check only. For information contact Herculaneum City Hall, 636-475-4447 or go to <http://www.cityofherculaneum.org>.

## Trash reminder

Waste Connections picks up refuse in bins only. Other items can be collected on bulk pickup days with the service requiring 24 hours' notice. This week's collection day is Saturday because of the July 4 holiday.

Many residents have bags of fireworks trash that await collection. If residue is in bags, residents have until noon Friday, July 7, to contact Waste Connections for removal. Waste Connections phone number: 636-321-2100. Select option 3 in the automated menu for Jefferson County Service. Fireworks waste can be picked up in trash bins. Items not in bins will not be picked up. If you miss this week's bulk pickup deadline, the next bulk collection day is July 21.

As a reminder, appliances require a special pickup fee of \$25. Yard waste can be placed for pickup on the fourth Wednesday of each month. Items must be in brown paper bags and marked as yard waste. Plastic bags are not accepted.

For further information, call Waste Collections or visit the Herculaneum trash collection information web page at <http://www.cityofherculaneum.org/Trash.html>

## Last word

Reminder: Permits are required for construction of fences, decks pools and other exterior improvements. Details at [StonewaterPevely.org](http://StonewaterPevely.org).
